Emergency Medical Technician (EMT)

This program is designed to be completed in 32 weeks. This program will cost $3,520.00 if completed within normal time for in-state students and $5,656.00 for out-of-state students. There may be additional costs for living expenses. These costs were accurate at the time of posting, but may have changed. This includes estimates of $700.00 for books, supplies, and equipment.

Of the students who completed this program within normal time, the typical graduate leaves with $2,570.00 of debt.
