

ATLANTA TECHNICAL COLLEGE

2019 Fall Semester Club Meetings

ATC's Student Ambassadors Program

The Student Ambassador's Program is students volunteering to connect incoming students, families, and special guests to Atlanta Technical College. Ambassadors represent the college at special events both on campus and within the community all while enhancing their leadership and communication skills, building community connections, and creating lasting ties within the ATC community.	Katie D'Entremont (404) 225-4599 kd'entremont@atlantatech.edu

Phi Beta Lambda (PBL)

Phi Beta Lambda (PBL), a national organization founded in 1958 to inspire and prepare students to become community-minded business leaders in a global society through relevant career preparation in business and leadership experiences. PBL is the collegiate division of Future Business Leaders of America (FBLA) and provides an opportunity for business students to prepare for business and office occupations. It helps students to learn more about our economic system and the business community. By participating in PBL, students are able to get practical experience in the business community. Students participate in regional, state and national competitions.	Robert Leach (404) 225-4541 rleach@atlantatech.edu

Veterans Club

This student leadership organization consists of enrolled students who currently serve or have retired from various branches of the United State Armed Forces. The club creates an environment where individuals (retired and enlisted) can socialize, address common issues, and participate in public awareness activities while attending classes on the college campus. The general purpose for organizing this club community is to assist our students with navigating through the college experience, obtain referrals for on campus and community resources.	Bernita Banks 404-225-4022 bbanks@atlantatech.edu

Women in Technology

WIT provides college women opportunities to explore and experience careers in Science, Technology, Engineering, Arts, and Math (STEAM) fields. We do this by building strong partnerships among students, colleges, and companies which allow us to provide relevant educational programs, internships, and scholarships possibilities for these college women.	Anissa Ferrell 404-225-4123 aferrell@atlantatech.edu
