

# Need money for college in 2023-2024?

Fill out the Free Application for Federal Student Aid (FAFSA) to qualify for grants (free money!), work-study jobs, and low-interest government loans. If you want financial aid, you must complete the FAFSA.

## Set aside about 30 to 45 minutes to complete the FAFSA.

Simplify the process by having certain information ready. Here's what to gather or know ahead:

- ☐ Your Social Security number.
- ☐ Tax records – you may be able to import some tax data using the IRS data retrieval tool on the FAFSA site.
- ☐ For the 2023-2024 FAFSA, use 2021 tax information.
- ☐ Your Federal Student Aid Identification Number (FSA ID), which is needed to sign the application electronically.
- ☐ Parental information including tax records and FSA ID (if the FAFSA determines you are a dependent student).
- ☐ Use Atlanta Technical College school code **008543**. Your FAFSA data will be sent to us.

### Apply Online

Complete your application: <https://FAFSA.gov>
